Arbitrators.

WYNNE BROS., 224 Kearny

ARBITRATION

Is the best way to settle all kinds of misunderstandings and disputes requiring the intervention of a third party. Matters can be thus brought to a successful termination more promptly and with greater satisfaction and far less expense to all concerned, by invoking the aid of diplomacy, than rushing recklessly into the meshes of the law. We are the first and only Public Arbitrators in San Francisco, and our services to the public being satisfied to abide the decision of our clients as to our right of claim thereto. Call on, or address us, and save time, money, exposure, and the vexation and uncertainty of litigation. No charge unless brought to a successful termination.

John Harrold.

LYON & CO.

BREWERS AND MALSTERS.

ESTABLISHED IN 1854.

Cream Ale--XXX Ale--Porter.

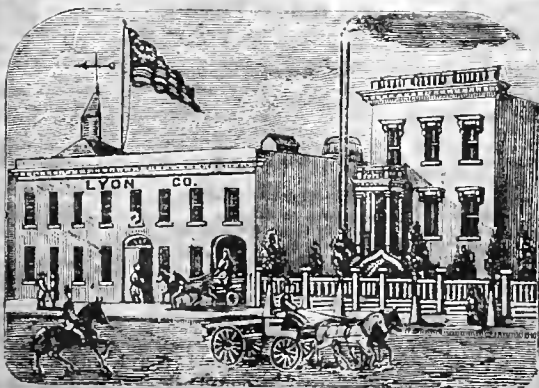

We avail ourselves of this opportunity of thanking our numerous customers in all parts of the Pacific States and Territories for the very liberal patronage extended to us. Having more than doubled our capacity for the manufacture of ALE and PORTER, by the purchase and enlargement of additional extensive premises, and by the introduction of improved machinery, we, with every confidence, solicit a continuance of the support hitherto afforded us, assuring our friends and the public that their orders will always receive prompt and courteous attention. Our XXX Ale and Porter we guarantee to keep in any part of the world equally as well as the imported English, the price being about one-half.
